MEN'S CUTTING - GREENVILLE, SC

The male clientele continues to grow in hair salons. Why? Men today want to look meticulously groomed but also want a hip and "now" image. Great men's hair requires its own unique approach. Stylists who incorporate classic barbering skills with their own technical experience can own a bigger part of this growing market. Eufora National Trainer, Dana Caschetta, will teach contemporary male looks utilizing time tested barbering and styling techniques on both short and longer men's trend hair.
