

Dana HOWARD

Eufora National Trainer

After graduating cosmetology school in 1996, Dana spent many years honing his skills. He met Eufora Co-Founder, Don Bewley, in 1998 and then again in 2009. He recognized that Don hadn't changed his approach or philosophies and he knew he could trust him and Eufora. Dana became an educator for Eufora in 2010.

Dana is inspired by the "Aha" moments his students experience, especially seasoned hairdressers that show humility by letting their guards down to learn something new. His passion and expertise live in the world of men's hair.

Dana's hands on approach, technical proficiency and his eye for the up and coming trends makes him an incredible educator. Dana is driven by knowing that he's giving his all to help stylists make a living doing what they love.

ADVANCED MEN'S CUTTING

The male clientele continues to grow in hair salons. Why? Men today want to look meticulously groomed but also want a hip and "now" image. Great men's hair requires its own unique approach. Stylists who incorporate classic barbering skills with their own technical experience can own a bigger part of this growing market. Eufora National Trainer and Master Barber, Dana Howard, will teach contemporary male looks utilizing time tested barbering and styling techniques on both short and longer men's trend hair.
