

MEN'S CUTTING CLASS

with Joseph DiMaggio

August 7, 2017 · 10:00 AM - 6:00 PM

A complete understandable system to men's cutting, grooming with a focus placed on tool theory, efficiency and applied ergonomics. This class will explore the benefits and effectiveness for Davines styling products for men. Four step by step haircuts will be shared displaying proper razor, scissor, and clipper techniques. Multiple cutting comb explanations and in depth instruction on texturizing men's hair and men's grooming trends. Stylists will confidently understand the "why" behind the world of men's hair.

CROP SALON
