

Mirza Batanovic

Mirza started his journey in the professional salon industry in 2003, and joined the Eufora Education team in 2008. He quickly became one of the most sought-after educators in the Eufora network due to his forward thinking, passion for the unique and different, and his natural creative eye. He was named one of the 7 best up and coming hairstylists in the United States by Estetica Magazine in 2014, and for good reason. With a true love for fashion, Mirza's talents have been showcased in editorial photoshoots and at New York Fashion Week. His passion for this industry runs deep and he's constantly drawing inspiration from his wonder of the world around him.

Mirza's love of sharing his knowledge and inspiration is evident in his classes. His talent and skills range from core technical to creative and avant-garde in cutting, long hairdressing and color techniques. Mirza currently divides his time between working in New York City, Southern California and on the road as a top Eufora National Trainer, platform artist and Academy instructor

Advanced Color Placement

This class illustrates the importance of color in achieving the "total look" you design for your guests every day, behind the chair. Stylist can expect to learn unique and creative color application and placement techniques. Executing these techniques and create color synergy with any cut.
